### BENEFITS

---

#### Class-leading capacity

Westinghouse freestanding cookers have the largest cavity in their class, with a 80L gross oven capacity. Plus, the separate grilling compartment on selected models means you can entertain guests and cook big family meals with absolute ease and without compromising on precious oven space.

#### Easy-reach rear controls

Westinghouse 54cm freestanding electric cookers have a unique easy reach angled rear control system which offers you and your family peace of mind while cooking by keeping oven controls far from childrens reach.

---

#### Handy separate grilling compartment

Cook for the whole family. Grill and bake at the same time while keeping different cooking flavours and smells apart.

#### High performance cooktops

Choose from our practical and powerful range of electric cooktops, with standout features like handy coil, easy-clean solid or stylish, flat ceramic hobs. High performance burners, including a wok burner on selected models, allows you to cook anything with ease, from family stir-frys to slow simmering.
